Instructions: The DOG Poker Run is NOT a race. **YOU DO NOT NEED A BOAT TO PARTICIPATE!** All participating teams will have to make each stop on the course (if you don't go by boat, you can get your bay card at Rum Runners). At each stop throughout the course, you will collect 1 envelope per stop in a total of 5 stops. Each non-transparent, secure envelope will contain ONE card, which will be opened at the reception. At the reception, each team will open one card at a time, one team at a time to ensure no cheating and to encourage side bets.

The run will contain 4 stops in the Presque Isle Bay and the last stop being the PIYC Picnic Shelter. During the run, teams are not permitted to over take anyone's dinghy. The teams that leave the dock at the beginning of the run must return with the same people in their dinghy. No swapping partners throughout the run. Teams may stop for refreshments at any pick up point throughout the run, but team must return at 8:45 for the reception. The team with the best poker hand will be crowned 2016 TOP DOG! Many other awards and prizes will be handed out throughout the reception.
